## Beaded Harvest Corn

### Materials Included:

- 9 Fuzzy Sticks
- Pony beads

1. We suggest spreading out your pony beads, to see all the colors.

2. Lay out your fuzzy sticks, stacked criss-crossed.

3. Twist the bottom fuzzy stick tightly around the other two.

# Beaded Harvest Corn (continued)

4. Slide the beads down a "spoke" of your fuzzy sticks.

5. Each "spoke" should get 12-13 beads.

6. You can try different patterns and combinations on each "spoke".

7. Bring the ends together and twist! Repeat for the next two ears of Harvest Corn.
