Snowman Book

Materials included:

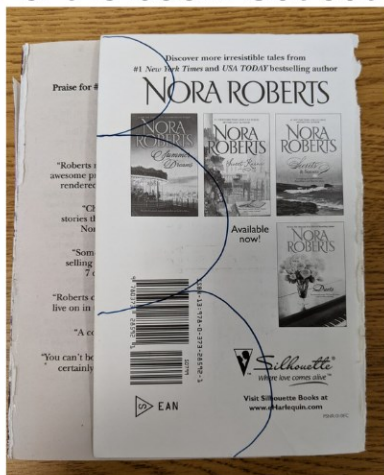

- book
- black cut-outs for hat
- ribbon
- fuzzy sticks
- various decorations

not included:

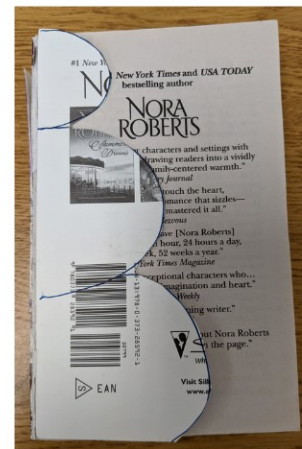

- glue gun/glue
- glue stick
- scissors

1.. Trace a 1/2 snowman shape on the cover of the book. Cut out the shape.

2. Use the pattern you cut out of the book cover to trace on the pages.

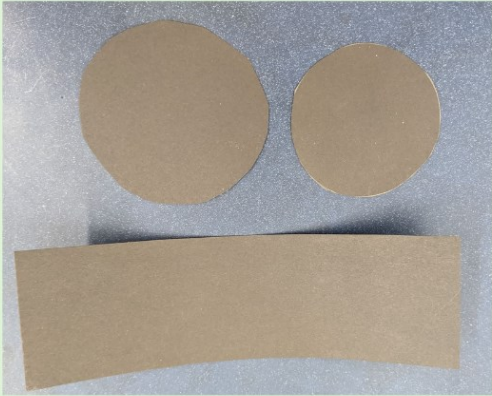

3. Continue to trace and cut out the entire book from cover to cover.

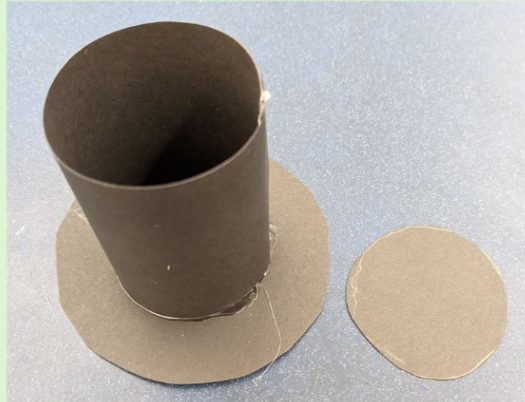

7. To finish—glue both sides of the spine together to complete snowman shape. Hot glue works best for this.

Snowman Book (continued)

4. To assemble the hat—take the rectangle and make a cylinder. Glue together.

5. Next, Glue the black cylinder to the large circle which becomes the brim of the hat

7. Now add embellishments as you like. There is holly for the hat and other sequins for decoration.

6.. To finish hat, glue the small circle on top. Then glue to top of snowman's head.

**You can add a ribbon scarf and bend the fuzzy sticks to make arms. Glue those into the pages **
