5. Add a small amount of water to your paint and dab the sponge in the watered down paint

6.. Gently apply paint to the ends of the pages that make up the pumpkin.

7. Next, using hot glue, add the bow to the top of the book above the "stem"

8. Finally, using a glue stick, add the black cut outs.

9. Using glue stick or glue gun, add the other decorations. Enjoy!
